

# I'll Cry Instead

I've got every reason on earth to be mad  
'Cause I just lost the only girl I had  
If I could get my way  
To get myself back up today  
But I can't, so I'll cry instead

I've got a chip on my shoulder bigger than my feet  
And I can't talk to people that I meet  
If you could see me now  
Tryin' to make you sad somehow  
But I can't, so I'll cry instead

(chorus)  
Don't wanna cry when there's people there  
I get shy when they start to stare  
I'm gonna hide myself away  
But I'll come back again someday

When I do you better hide all the girls  
'Cause I'm gonna break their hearts all around the world  
Yeah I'm gonna break 'em in two  
I'm gonna show you what your lovin' man can do  
But 'til then I'll cry instead

(repeat chorus)

When I do you better hide all the girls  
'Cause I'm gonna break their hearts all around the world  
I'm gonna break 'em in two  
I'm gonna show you what your lovin' man can do  
But 'til then I'll cry instead  
Til then I'm gonna cry instead  
'Til then I'll cry instead
