

Is This Love

I want to love you and treat you right
I want to love you every day and every night

We'll be together with the roof right over our heads
We'll share the shelter of my single bed
We'll share the same roof For Jah provide the bread

(chorus)

Is this love, is this love, is this love, is this love that I'm feelin'
Is this love, is this love, is this love, is this love that I'm feelin'

I wanna know, wanna know, wanna know now
I've got to know, got to know, got to know now
I'm willing and able so I throw my cards on the table
