

# Our Community

We criticize through the front window  
Of all our cookie cutter shacks  
We give a hug to friends and neighbors  
Just to stab them in the back  
Utopia? Not in my backyard

A drunk's pissing on a schoolyard wall  
Poop smeared in a bathroom stall  
A science teacher has a student on her knees  
A blind man gets a punch to the face  
Homeless beg for the food we waste  
I can't believe all the sick shit that I see  
In our community

Recliner quarterback is screaming  
Passing judgement from the couch  
A TV preacher wants your money  
Off air he'll squirt one in your mouth  
Utopia? Not a chance in hell

A bloody nose from the coke we snort  
A robbery at the Hallmark store  
We're starting fires and spreading our disease  
Shooting pigeons with a BB gun  
Aborting off our unborn sons  
Can you believe all the sick shit that we see?  
In our community

(La,la,la)

When I turn on the evening news  
Another murderer is on the loose  
A wife cheats on her husband while he sleeps  
A pregnant lady smoking cigarettes  
A 12 year old has unprotected sex  
Is this the way that things must always be?  
In our community
