

Point Of No Return

At the edge of the great abyss
Knew it was over from the very first time that we kissed
You went weightless in my arms
There's no turning back once we've come this far

Love and laughter
Forever after
We'll be together
Always and forever

(chorus)
Now I can't and I don't want to take it
Back to the way that things once were
And I know that I don't know a lot
But the things I know I know for sure
Everyday that we say that we stay
It's just another lesson learned
Had our fun and the prize was won
We reached the point of no return

At the edge of eternity
10,000 kisses lying on the floor beneath the sea
Waters warm, you drew me in
To turn away from it would've been a sin

Love and laughter
Forever after
We'll be together
Always and forever

(repeat chorus)
