

# She's Leavin'

She's the one who paints the color in my eyes  
She's the sun who shines her light across my skies  
She's the one who keeps me warm when life can be so cold

She's the one who tells me everything's OK  
She's the only one who makes me feel this way  
She's the one who always says, she will never go  
She's a river that is raging through my soul  
She's the answer to the questions I don't know

(chorus)

But she's leavin'  
What do I do  
She's leavin'

She's the one who feels so perfect by my side  
And she's the one who makes my senses come alive  
Every hour of every day my thoughts are filled with her  
She's the reason why I feel like I belong  
And she's the words to everyone of my love songs

(repeat chorus)

But she's leavin'  
What do I do  
She's leavin'  
Could this be true
