

Spotlight

Hey everybody gather 'round
The main event has come to town
Spotlight, all I've ever known
Spotlight, lightin' up the show
Blindin' in the night so bright, spotlight

I gotta story that I gotta tell
They come a runnin' when I ring my bell
Spotlight, all I've ever known
Spotlight, lightin' up the show
Blindin' in the night so bright, spotlight

(chorus)
So come on now, step right up
Give it a go now, try your luck
All eyes on you so what'dya got
Here we go now, ready or not

Clap your hands to the beat
Feel the rhythm and move your feet
Spotlight, all I've ever known
Spotlight, lightin' up the show
Blindin' in the night so bright, spotlight

(repeat chorus)

We're gonna all just scream and shout
Keep a movin' 'til the light burns out
Spotlight, all I've ever known
Spotlight, lightin' up the show
Blindin' in the night so bright, spotlight
Well it's blindin' in the night so bright, spotlight
Yeah, yeah, yeah, blindin' in the night so bright, spotlight
