

Story

Lookin' back at all the lessons
Broken connections
Over the years
I don't want another story
Crumble before me
Causing more tears

Washin' all these memories off my face
I'm trying to erase
And start again
Finding you gave me a reason
To start believin'
Love never ends

(chorus)
This is the story of forever
The time that I want for us to be together
Please catch me I'm falling so fast
All I want is for this one to last
Let it last

Every second is our future
A new adventure
Where would we be without us
Growing life like it's a garden
High on a mountain
Of endless trust

(repeat chorus)

Everybody has a story
This one's for me
Me and you
