

# Tell Me Memphis

Am I givin' up, or givin' in  
Everytime she leaves I take her back again  
My nights are full of doubt and uncertainty  
But I can't sleep without her lying close to me  
It's like tryin' to control the Mississippi river  
So who knows more than you  
Tell me Memphis, what am I gonna do

(chorus)

Memphis, I'm helpless  
If she comes back today  
Shameless, blameless  
I'll do anything to make her stay  
'Cause my love is true and deep as the sea  
But she's a river runnin' wild and free  
Tell me Memphis  
When will that river run to me

Every river flows from a secret place  
I've come to know it's cold embrace  
Since she's been gone, not a night goes by  
I don't lay alone and wonder why  
I still believe down in my soul  
She's got a heart that's pure as gold  
Tell me Memphis, will I ever know

(repeat chorus)

(bridge)

Waitin' for the tide to change  
'Cause I can't go on this way  
Won't you tell me please

My love is true and deep as the sea  
But she's a river runnin' wild and free  
Tell me Memphis  
When will that river run to me  
Memphis, when will my river run to me
