

That's Life

That's life, that's what they say
You might be ridin' high in April
Shot down in May
I know I'm gonna change my tune
When I'm back on top in June

I said that's life, funny as it may seem
Some people get their kicks
Stompin' on your dreams
But I won't let 'em bring me down
Long as this fine ol' world keeps spinnin' 'round

(chorus)
I've been a puppet, a pauper, a pirate, a poet
A pawn and a king
I've been up and down and over and out
And I know one thing
Each time I find myself flat on my face
I pick myself up and get back in the race

That's life, I can't deny it
I thought about quittin'
But my heart wouldn't buy it
But if I didn't think it was worth a try
You know I'd hop on a big ol' bird and I'd fly

(repeat chorus)

That's life, I can't deny it I thought about quittin'
But my heart wouldn't buy it
But I swear if things don't pick up in July
You I'm gonna roll myself up in a big ball and die
My, my
