

The Edge

All alone again
Walking down a road that never ends
Wondering what it means
As I reach for my shovel
To bury one more dream

(chorus)
My back's against the wall
I'm losing all control
Starin' at the edge wondering if I'm gonna fall
I've seen it all before
Can't take it anymore
Every time I turn around I'm pushed down to the floor

Looking for a way
To make it through this endless world of gray
Wondering where to go
'Til I find the light,
I walk alone

(repeat chorus)

All alone again
Walking down a road that never ends
