

## The Wild Part

Hey drop dead gorgeous, I can tell your itchin' to play  
You make me nervous like a big cat stalkin' prey  
Tight temptation, perfectly poised and dressed  
Dehydration, thirstin' to see the rest  
Show me the wild part  
The wild, wild part

Head teaser, wrestlin' with a dirty mind  
Eye pleaser, but afraid of your own kind  
Silent seduction, ooh you know I'm game  
Let's see some action, I'm sick and tired of tame  
Show me the wild part  
The wild, wild part

(chorus)  
Give it up, give it up  
Give me all you've got  
Just like that, just like that  
You just hit the spot

(repeat chorus)

I want the wild part  
Show me the wild part
