

To Do List

Pretty thing, pretty thing
Let me show you how I like it, show you how I like it baby
Everything, everything that you do just makes me lose my head
When you look like you look you know you make the angels cry
'Cause they jealous baby
Ya got me shook, got me all shook up
I wanna shake you up in my bed

(chorus)
You're a sexy mutha (Mutha)
Body smooth like butta (Butta)
I'll never need anotha (Nutha)
Baby you amaze me
Ya know you make me shutta (Shutta)
I try to speak I st-st-st-stutta (Stutta)
You makin' my heart flutta (Flutta)
Girl you make me crazy
(Don't) Hang up that cell phone
(Don't) Act like you ain't home
(Don't) Say you wanna be alone, on your own, don't say...
(Don't) I just wanna be with you
(Don't) Don'tcha wanna feel it too
(Don't) Ooh baby don't resist
You're at the top of my to do list

I don't care, I don't care
'Bout any other girl I seen since I seen you baby
You're the one, you're the only one who can make me feel so good
Pretty thing, pretty thing
Let me show you how I like it, show you how I like it baby
All the other ladies are lookin' all shady lookin' at you

(repeat chorus)

When you look like you look you know you make the angels cry
'Cause they jealous baby
Ya got me shook, got me all shook up
I wanna shake you up in my bed
