

# Waiting

Time keeps passing us by  
Will you wait for me  
I've been learning to fly  
As you wait for me  
You look to the sky, only to find no one there  
An "I'll see you soon" is hung from the moon  
It's not fair  
It's not fair

I know you're tired of waiting around for me  
Reaching deep in yourself to hold on to me  
The sun has gone down  
There's no one around as I fly  
I'm feeling your pain as I fall through the rain  
Don't you cry  
Don't you cry

(chorus)  
Home, that's where I'm headed  
You're not alone, I'm missing you too  
Don't, don't you be worried  
'Cause when I get home I'll be waiting for you
