

Grizzly Bear

My father told me, stay outta the woods
Son, she gonna get'cha, eat'cha up if she could
I didn't listen, I didn't listen
Whoa no, no, no, no

I went and fell, fell into her den
She got me on the ground, I'm playin' dead
I should'a listened to what my father said
But I didn't listen, now I'm good as dead

(chorus)
She's a Grizzly bear
She's a Grizzly bear
Look out, Grizzly bear

That woman got claws, sharp like a knife
She'd tear you to pieces, she's got a mean bite
Down on all fours, hear that devil roar
Should'a listened, long before

Pray for me father, I been a fool
Never saw her comin', oh no I never knew

(repeat chorus)

Whoa, Lord help me, help me I beg you please
Save me from this devil, have mercy on me
Lord help me, there's nothin' I can do
She got a hold on me, don't let her get you too

(repeat chorus)
