

Whiskey Woman

Whiskey woman
Why don'tcha let me be
Whiskey woman
Oh, let me be
You only bring me down
We both know you ain't no good for me

Used to love ya
Ooh, you taste so sweet
Used to love ya baby
You taste so sweet
Sweet little whiskey woman
With every drop you know you got me beat

About 1:30 in the mornin'
You're knockin up on my door
I ain't gonna let ya in now
Even though I want a little bit more
Whiskey woman
Why don't you let me be
You only bring me down
We both know you ain't no good for me

About 3:30 in the mornin'
Lyin' in bed awake
I can't stop thinkin' 'bout'cha
And it's givin' me the shakes
Whiskey woman
Hey, let me be
You won't leave me alone
We both know you ain't no good for me
Sweet little whiskey woman
Whiskey woman, you know you're killin' me
