

Baby Please Come Home

Baby won't you please come home
Oh baby won't you please come home
I been lonely, I been blue
Waitin' here for you
So baby won't you please come home

Think about'cha all the time
Never getcha off my mind
I'm out here all alone
So baby please come home
Your bein' gone is such a crime

Now I'm starin' at my phone
Waitin' for you to call
Floatin' in my head, sinkin' in my bed
And drownin' in this alcohol

So baby won't you please come home
oh baby won't you please come home
I been lonely, I been blue
Waitin' here on you
So baby won't you please come home

Now the days are getting' long
The nights are getting oh so cold
The clock is in rewind
But time is flyin' by
Come back before we're gray and old

Think about ya all the time
Never getcha off my mind
I'm out here all alone
So baby please come home
Your bein' gone is such a crime
The tears have now turned to wine
You've been gone too long
So baby won't you please come home
