

Somethin' New

(chorus)

Maybe someday we'll all get together
Maybe someday we'll all see it through
Times have been a tough
I think we've had enough
But maybe it's the start of somethin' new

Seems like it's been years since I've seen ya
Remember when we used to all go out
I'm tired of the distance in between ya
Not sure anymore what it's about

(repeat chorus)

Everybody's talkin' 'bout the old days
Reminisclin' how it used to be
Yeah, but there's a lotta things we must make better
Now's the time as far as I can see

(repeat chorus)

Said times have been a tough
We all had enough
But maybe it's the start of somethin' new
Yeah maybe it's the start of somethin' new
