

Chickaboom

B-b-baby I ain't your boyfriend
But that doin't mean I'm not gonna pretend
Ya know there ya go and do it again
Swingin' that big bottom end

(chorus)
Chickaboom
Chickaboom-boom
Chickaboom
Chickaboom-boom

I never got nothin' for free
I know your man will come lookin' for me
You know I'll be what you want me to be baby
'Cause you got everything that I'll ever need

(repeat chorus)

Like a book collectin' dust on a shelf
I've been sittin' all alone by myself
Lucky me if I ever believe
In your arms I'm gonna be held

B-baby I ain't your boyfriend
But that doin't mean I'm not gonna pretend
Well there ya go again gettin' under my skin
I ain't never be the same again

(repeat chorus)

I said baby, I said baby
You got me baby, baby

Baby, I said baby
Come on baby, Baby

(repeat chorus)
