

# Number One

If you're lookin' for a man to entertain you  
Well baby I'm the best around  
Yeah and if you want a five-star dinner for two  
I'll treat you to the finest in town  
If you wanna dance underneath the stars  
Drink champagne, ride in fancy cars  
If you wanna have a little fun, then baby I'm your number one

Well if you want a night on the town  
Baby let me lead the way  
I'll teach you all the things that you never knew  
I'll make you queen for a day  
Now I'm not like any other you know  
We'll sneak off fast then we'll take it slow  
If you wanna have a little fun, then baby I'm your number one

(chorus)

Yeah if you want the best, walls of gold, well-dressed, just wait  
And if you want a thrill, one you'll crave to feel, just wait, just wait  
Oh, I'll make ya feel right, even when it's wrong  
Hold on tight babe we'll go all night long  
I'm second to none, baby I'm your number one

Yeah if you wanna hear good music  
Baby I wear the crown  
I'll write you some songs, make you fall in love  
As soon as you hear my sound  
I can give ya boogie, jazz, or swing  
All the boys in my band can play most anything  
I can play you just like a drum, oh 'cause baby I'm your number one

(repeat chorus)

Oh yeah, let's have some fun  
I'll be your number one  
Ooh, you're never gonna meet anyone like me  
I'm your number one
