

# Worry

Oh, Worry  
I always worry  
Why do I lay in bed alone at night  
Wonderin' if you're doin' me right

Oh, tell me  
Please, please tell me  
Tell me I'm a fool to feel this way  
Tell me that you'll always stay

(chorus)  
Oh darlin, all my love  
Is wasted when you are gone  
All the stars up above  
Are waitin' on you to come back home

Oh, hurry  
Please, please hurry  
Oh, I'm tryin' hard with all my might  
Oh, hangin' on 'til you hold me tight

(repeat chorus)

Oh, hurry  
Please, please, please hurry  
I'm tryin' so hard with all of my might  
Oh, hangin' on 'til you hold me tight

Whoa, worry  
Why do I worry  
I always worry  
Whoa, worry
