## Worry

Oh, Worry I always worry Why do I lay in bed alone at night Wonderin' if you're doin' me right

Oh, tell me Please, please tell me Tell me I'm a fool to feel this way Tell me that you'll always stay

(chorus)
Oh darlin, all my love
Is wasted when you are gone
All the stars up above
Are waitin' on you to come back home

Oh, hurry Please, please hurry Oh, I'm tryin' hard with all my might Oh, hangin' on 'til you hold me tight

(repeat chorus)

Oh, hurry
Please, please hurry
I'm tryin' so hard with all of my might
Oh, hangin' on 'til you hold me tight

Whoa, worry Why do I worry I always worry Whoa, worry
