

The Mango Tree

I took a boat 'round the island
In search of somethin' sweet
Found me a wahini
Said "hey come with me"
We got to know each other
In lots more ways than one
Didn't tell me she was married
And now I'm on the run

(chorus)

Well keep on a lookin' but you never gonna find me
I been on the runnin' and I'm keepin' you behind me
Stay away braddah not a fighter I'm a lover
Take the girl home and leave me alone
(Where you at?) You can't see me
(Where you at?) You can't see me
(Where you at?) You can't see me
I been hidin' in the mango tree

In the rainforest I'll be hidin'
Far from where he'll be
Above the mango branches
At the tip-top of the tree
If he ever finds me
Aloha, wish me luck
He'll rip off my banana
And crush my coconuts

(repeat chorus)

So if you go 'cross the island
And find a girl that's sweet
Make sure she's not married
Or I'll see you in the mango tree

(repeat chorus)
