

# Slow Down

Well, c'mon pretty baby won't you walk with me  
C'mon pretty baby won't you talk with me  
C'mon pretty baby give me one more chance  
Let's save our romance  
Slow down  
Hey baby now you're movin way too fast  
You gotta give me little lovin'  
Give me little lovin'  
Whoo, if you want our love to last

Well I used to walk you home  
Carry your books home too  
Now you got a big ol' diamond ring  
B-b-b-b-b-b-baby what you tryin' to do  
Slow down  
Hey mama, said you're movin' way too fast  
You gotta give me little lovin'  
Give me little lovin'  
Whoo, if you want our love to last

Well I used to walk you home  
Carry your books home too  
But now you got a car and a diamond ring  
B-b-b-b-b-b-baby what you tryin' to do  
Slow down  
Hey you're way too fast  
You gotta give me little lovin'  
Give me little lovin', whoo

Well, c'mon pretty baby won't you walk with me  
C'mon pretty baby won't you talk with me  
C'mon pretty baby give me one more chance  
Let's save our romance  
Slow down  
Hey mama, you're movin way too fast  
You gotta give me little lovin'  
Give me little lovin'  
Whoo, if you want our love to last  
Slow Down, Too fast
