

The Present

It's been a long road home to you
I got a few more stops
Just gotta grab another thing or two
You're gonna love what I got
It's getting' cold but I'm on my way
And I won't be late, 'cause I just can't wait

(chorus)

The perfect snowy weather
Bringin' us together on this holiday
Nothin' could be better
Than thinkin' 'bout forever with you
Now I'm holdin' you so tight
In the glow of Christmas lights
While we're pickin' gifts from under the tree
But I'm savin' you for last
'Cause your presence is the present for me

Now I don't need no fancy clothes
Or big ol' shiny rings
Just hang a little mistletoe
And meet me underneath
I didn't even have to make a list
'Cause my only wish is your sweet, sweet kiss

(repeat chorus)

Oh, let me hold you tight
Oh, I'll keep you warm tonight
Yeah, Christmas time baby
It feels right with you

(repeat chorus)

Oh, I can't wait anymore
I'm savin' you for last
'Cause your presence is the present for me
