

Jerry Lee

(Jerry Lee, Jerry Lee)
Yeah, it's gotta hold on me
(Jerry Lee, Jerry Lee)
Play it like it's supposed to be
(Jerry Lee, Jerry Lee)
G-g-give me what I need

(At the door you'll come a' knockin')
Burning down the honky tonks
(Put some wiggle in that walkin')
Whole lotta shakin' goin' on
(Jerry Lee, Jerry Lee)
Hey, K-K-Keep it rockin' all night long

(chorus)
From my great balls of fire
The flames are rising higher
I'm feelin' like I'm gonna explode
Yeah, you got me going wild
Like a real wild child
Mama g-g-get ready to blow

(We're gonna keep the party rockin')
Yeah, we're losin' all control
(Ain't no way this thing is stoppin')
I'll make you feel that Memphis soul
(Jerry Lee, Jerry Lee)
You p-p-put the rockin' in my roll

(chorus)
Frankie gonna drink a little wine
As we move on down the line
These crazy arms won't ever letcha go (won't let you go)
When I start to feel the liqua'
Got me bangin' like the killa'
So sit right back enjoy the show

(Jerry Lee, Jerry Lee)
Yeah, I'm feelin' breathless can't you see
(Jerry Lee, Jerry Lee)
My fingers sliding through your keys
(Jerry Lee, Jerry Lee)
G-G-Give me what I need
