

Bombs Away

It's time to blow it up
You all with me or what
We got the music pumpin'
Get'cha feelin' good and tough baby, tough baby
We'll do it rough, baby
We're gonna tear it apart

It's gonna be a show
We'll make the room explode
I'll be your firecracker
Follow me we're goin' rogue baby, rogue baby
Out on our own, baby
Take it right through the heart
Let's light it up and make it boom, boom baby
Boom, boom baby
Tonight we came to play

CH)
Bombs away
(Boom baby, boom boom baby)
(Boom baby, boom boom baby)
Bombs away
(Boom baby, boom boom baby)
(Boom baby, boom boom baby)

We're droppin' number 1's
They're rainin' down like bombs
I take an army with me
Every time I sing my songs baby, songs baby
You sing along, baby
I'll give you just what you need
Let's light it up and make it boom, boom baby
Boom, boom baby
Tonight we came to play

(Repeat chorus)

There's no time to waste, we've got nothing to lose
It's your turn baby, go ahead light the fuse
