

Ice Cream Medley

Earth angel, earth angel, will you be mine
My darling dear, love you all the time
I'm just a fool, a fool in love with you

To know, know, know her is to love, love, love her
Just to see her smile makes my heart worth while
To know, know, know her is to love, love, love her, and I do

Who cares for fame and fortune
They're only passing things
But the touch of your lips on mine
Makes me feel like a king

In the still of the night, I held you, held you tight
'Cause I love, love you so, promise I'll never let you go in the still of the night

Heavenly shades of night are falling, it's twilight time
Out of the mist your voice is calling, it's twilight time
When purple covered curtains mark the end of day
I hear you, my dear in twilight time

Oh yes, I'm the great pretender, just laughing all day like a clown
I seem to be, but I'm not you see, I'm wearing my heart like a crown
Pretending that you're still around

I had a girl and Donna was her name
Since she left me I've never been the same
'Cause I love my girl, Donna oh where can you be

You Don't remember me but I remember you
Was not so long ago you broke my heart in two
Tears on my pillow, pain in my heart caused by you

Why does the sun go on shining
Why does the sea rush to shore
Don't they know it's the end of the world
"cause you don't love me anymore

I guess mine is not the first heart broken
My eyes are not the first to cry
I'm not the first to know there's just no getting' over you
Hopelessly devoted to you

Goodnight sweetheart, well it's time to go
Goodnight sweetheart, well it's time to go
I hate to leave you but I really must say
Goodnight sweetheart, Goodnight
