

Lions Den

I've been livin' way too hard
To die another day
Starin' at the face of danger
And I can't look away
And I know I shouldn't get so close but I'm goin' back again
I can't rest 'til my last breath is in the lions den

Goin' on a crazy ride
Sittin' on a cannonball
Livin' on the edge of fear
I'll jump before I fall
And I can't stand the wonderin' of how it all might end
I'll take my chance and do my dance into the lions den

CH)
Oh, I wanna be the king of the jungle
I said ooh yeah, I said ooh yeah
Surrounded by the fire
When I roar you'll feel the rumble
I said ooh yeah

I don't wanna look back
Thinkin' 'bout what I could have done
Gonna give it all I've got
Gonna be the champion
And win or lose, at least I'll prove my pride I will defend
I'll kill the beast and eat my feast up in the lions den

(Repeat chorus)

Stand up high, don't run and hide
Feel that burnin' deep inside
Your time has come, you are the one
Yeah, the battle has begun
Join the fight, show your might
Victory is now in sight

Don't back down, stand your ground
Claim it all and take your crown
Be the biggest cat in town
