

Mountain Of Love

Standin' on a mountain lookin' down on the city
The way I feel is a doggone pity
Teardrops fallin' down a mountainside
Many times I've been here, many times I've cried
We used to be so happy when we were in love
High on a mountain of love

Night after night I've been stadnin' here alone
Weepin' my heart out 'til cold gray dawn
Prayin' that you're lonely and you'll come here too
Hopin' just by chance that I'll get a glimpse of you
Tryin' hard to find you somewhere up above
High on a mountain of love

(chorus)

A mountain of love, a mountain of love
You should be ashamed
We used to be a mountain of love
But you just changed your name

Way down below there's a half a million people
Somewhere there's a church with a big tall steeple
Inside the church there's an alter filled with flowers
Wedding bells are ringin' and they should'a been ours
That's why I'm so lonely, my dreams gone above
High on a mountain of love

(repeat chorus)

Way down below there's a half a million people
Somewhere there's a church with a big tall steeple
Inside the church there's an alter filled with flowers
Wedding bells are ringin' and they should'a been ours
That's why I'm so lonely, my dreams gone above
High on a mountain of love
High on a mountain of love
High on a mountain of love
High on a mountain of love
