

# Christmas Time With You

Look outside the snow is falling  
All our wishes coming true  
Children everywhere are calling  
Waking to this wintery morning  
Bells are ringing too  
It's Christmas time with you

Come and sit here by the fire  
Warm your hands, wiggle your toes  
See the flames are reaching higher  
Listening to an angels choir  
Just like we used to do  
It's Christmas time with you

Finally we're here together  
The pieces of my heart  
So let us sing about the season  
I don't know of any reason  
We should be apart

Tra la la la la la la la  
Tra la la la la la la  
Tra la la la la la la la  
Tra la la la la la la la

Repeat verse 1

Tra la la la la la la la  
Tra la la la la la la  
Tra la la la la la la la  
Tra la la la la la la la  
Bells are ringing too  
It's Christmas time  
Oh, it's Christmas time  
It's Christmas time with you
