

Holiday On The Island

Holiday on the island
Where Christmas is fun
Here we spend our days smilin'
In the Tropical sun
Those coconut ornaments
Are up all year
Mele kalikimaka is what we love to here

There is no need for snow on a white sand beach
Here the elves hula
We decorate the tall palm trees
With the mangos and the coconuts

On the island
There's so much cheer
Jump on in to the ocean
The winter water is clear
We're all wearin' leis of red and green
And matching flip-flops too
From all of us on the island
Maui Christmas to you

Santa's comin' in a red floral tee
To say aloha to you
He'll be bringin' all his gifts
In a little bamboo canoe

On the island
It's the place to be
Jump on into the ocean
Feel the warm winter sea
We're all wearin' leis of red and green
And matching flip-flops too
From all of us on the island
Maui Christmas to you

Aloha from the island
Maui Christmas to you
