

12 Dozen Roses

I'm chasin' the day
Tryin' to set up the night
Double checkin' each step
So everything is just right
Money's tight but it's quite alright
When I'm spending time with you, baby

I've got the candles all lit
With an hour to spare
I've got the table all set
With the good silverware
Do my hair, oh what do I wear
I'm lookin' my best for you, baby

(chorus)
12 dozen roses
I've got one chance to make you notice
My love's a love you can't ignore
I'll give you everything and more

I lower the lights
And put the stereo on
I'm takin' a guess
At your favorite song
Won't be long 'til we're all alone
Holdin' each other tight, baby

I'm watchin' the clock
Now it's gettin' late
You're almost never on time
But I'm willin' to wait
For our date that took so long to make
But I ain't gonna loosen my tie yet

(repeat chorus)

(bridge)
It feels so right when we're together
I'll love you longer than forever
You are the one I've been waiting for
