

So Far

There you go with your feet off the ground
Lookin' for the higher road
They say it's lonely when you get to the top
So try to take it slow
I get a little scared and start actin' all crazy
All I can do is wait
While your swingin' from the stars
Bouncin' off the moon
Reachin' through Heaven's gate

(chorus)

Say you'll fall back down
You're so far, you're so far
Say you'll fall back down to me
You're so far, so far from me

Here I go tryin' to bring you back
While your chasin' your dreams
I can say that I'm happy for you
I'm just a little worried 'bout me
Bottom line if you want me to follow
I'll climb as high as I can go
I'll be waitin' on a mountain
Just beneath the clouds
Reaching out my hand for you to
Take me to take me to the higher road

(repeat chorus)
