

Castle In The Sand

The day is warm and getting' hotter
Let's cool on off down in the water
You and I in paradise
Whoa, whoa
All our cares won't be a bother
I'll be your knight in shining armor
Rainbow skies light up our eyes

(chorus)

We can spend our waking hours dreaming
As we build our castle in the sand ah-ah-ah-ah-ah-ah-ah

We'll fill our moat with margaritas
A fortress built of gold tequila
Our kingdom's come not a moment too soon
Whoa, whoa

People say we don't have what it takes to wear these crowns
That everything will fall apart when waves come crashing down
But I know we'll just build it all again

(repeat chorus)

Let's stay right here and dream forever
We'll lose ourselves like buried treasure
We'll build our castle in the sand
We'll build our castle in the sand
Whoa, we'll build our castle in the sand
Whoa whoa
Yeah
Whoa whoa
