

# That's How The Story Goes

He saw her standin' across the room  
Then and there is when he knew  
His life was never gonna be the same  
He didn't even know her name  
To His surprise he took a chance  
Walked over and asked her to dance  
He said he pretty baby wanna give it a go  
Right then his whole world slowed  
She smiled and she said yes

(chorus)

Ooh, that's how the story goes (That's how the story goes)  
Ooh, wherever the wind may blow (Wherever the wind may blow)  
Just a guy and a girl gonna give it a whirl  
And they'll be countin' their X's and O's  
Ooh, good love's all they wrote  
And that's how the story goes

Well, that ain't where it all ends  
A couple dates they became good friends  
They talked and talked and talked for hours  
He even took his phone in the shower  
Now, fast forward a couple of months  
He said hey pretty baby I think we're in love  
And he bought that ring and he took a knee  
He never thought that she'd agree  
He smiled when she said yes

(repeat chorus)

It got real tough when he got layed off  
And she took the kids and took her ring off  
On his knees he cried won'tcha come home  
And she said yes

(repeat chorus)

Yeah, and that's how the story goes
