

Waikiki

Hey baby, why don't you and me
Go and kick it out in Waikiki
Layin' back with the setting sun
Live it up out in the middle of the ocean

We could make our dreams come true
Get a place with a Diamond Head view
Lost deep I n each others eyes
Set our sights on paradise

(chorus)
In Waikiki, baby you and me
We'll be happy in Waikiki

Breathe in life that tastes so sweet
With the island beneath our feet
Yeah, we'll flip it all upside down
Twist it up and turn it inside out

Shining bright like shooting stars
Crashing into each others hearts
We'll get higher than the rising tide
And every little thing is gonna be alright

(repeat chorus)

So let's pack up our sandals and give it a try
It's been our dream to go to Hawaii
We'll see it all through the waterfall
And stare at the sea where we're feelin' so small
We'll cliff dive right into the rainbow skies
We'll go to Duke's to get some Mai Tai's
Never gonna let nothin' get in our way
Let me play a song on my ukulele

Life can come and change all your plans
It's just a deal written in the sand
Try not to let it all wash away
Gone tomorrow but here today
